Leaping Upon the Mountain

Mike Lew and Thom Harrigan

August 10, 2018 to August 12, 2018

This weekend workshop is for non-offending adult male survivors of sexual child abuse, rape, physical violence, emotional abuse and/or neglect. Our goal is to offer a safe, encouraging environment of healing. The weekend will provide a variety of healing activities, including the sharing of stories, writing exercises, anger work and other emotional expressions, small group discussion, relaxation and yes, even fun.

This event is for men who are actively engaged in recovery work; it is not a substitute for therapy. A letter of recommendation from a therapist must accompany the registration form/deposit. The registration deadline for this event is July 27, 2018.

Led by **Mike Lew** and **Thom Harrigan** of the Next Step Counseling in Florence MA. Mike is the author of *Victims No Longer: The Classic Guide for Men Recovering from Sexual Child Abuse*. Thom leads groups for male survivors and has worked extensively in this field.

Cost \$380 includes double occupancy room, board and tuition. Single rooms **may** be available for an additional \$50 per night.
