Anita Bondi and Jean Richardson

“InterPlay is something that anybody can do — regardless of size, shape, ability, color, background, gender, orientation, belief, or nationality. All you need is a little willingness. Expect to laugh, savor and relax. Expect to be surprised by what you can do!” Using Interplay® we will move, create, and support one another through this fun filled inclusive time designed for families who have members living with any type of disability. All are welcome.
